Workshop Notice

August 23, 2000 10 am - 4 pm	Hiram Johnson State Building 455 Golden Gate Avenue San Francisco
---------------------------------	--

The California Public Utilities Commission's Division of Strategic Planning will conduct a workshop to help write new rules for the **Deaf and Disabled Telecommunications**

Program (DDTP).

Background: The California Legislature passed Senate Bill 669 in 1999 that:

- 1) Creates the DDTP Administrative Committee as an advisory board for the CPUC to help develop, implement, and administer programs providing telecommunications services and equipment to the deaf or disabled, and
- 2) Requires funds for the DDTP be held in the State Treasury (instead of a bank trust fund as is currently done).

This proceeding, known as Rulemaking 00-05-001, is intended to develop procedures to carry out the requirements of SB 669. This rulemaking is aimed at:

- 1) Ensuring that the DDTP has adequate administrative authority and resources to “carry out the programs pursuant to the commission’s direction, control, and approval” (Public Utilities (P.U.) Code Section 278(a)(1)),
- 2) Reviewing the DDTPAC’s structure to ensure that it achieves “appropriate representation by the consumers of telecommunications services for the deaf and disabled,” as SB 669 requires (P.U. Code Section 278 (a) (2)), and,
- 3) Implementing the changes in financial administration that SB 669 requires.

Ground Rules for this Workshop:

- 1) The atmosphere at the workshop will be informal. There will be no Administrative Law Judge (ALJ) present; however, a court reporter will record the Workshop and a transcript will be available at a later time. Only if needed will the moderator impose time limits for speakers and other control measures.
- 2) The workshop will explore the issues raised in the Order Instituting Rulemaking (OIR), (see [ftp://ftp.cpuc.ca.gov/gopher-data/agenda/r0005001.pdf](http://ftp.cpuc.ca.gov/gopher-data/agenda/r0005001.pdf)), issues presented by the assigned ALJ, and other specific topics raised by participants. The workshop participants are asked to explore and evaluate all the items on the agenda, not merely iterate or defend a position.
- 3) The CPUC invites anyone interested in this subject to comment in person at this workshop. If you cannot attend, write or e-mail your views to the Commission’s Public Advisor:

California Public Utilities Commission
Public Advisor’s Office
505 Van Ness Avenue, 5th Floor
San Francisco, CA 94102
public.advisor@cpuc.ca.gov

Please include R.00-05-001 in your mail or e-mail.

The hearing location is accessible to persons with disabilities and will have sign language interpreters, real-time captioners, and voicers available. Please call the Commission’s Public Advisor at least five working days before the workshop if you need to request other reasonable accommodation: 415-703-2074 (V), 415-703-2032 (TTY) or 800-229-6846 (TTY)

- 4) Mark Vandervelden of the Division of Strategic Planning will chair and moderate this workshop.
- 5) Mr. Vandervelden will prepare and file a Workshop Report with the Commission presenting the views of workshop participants. The Commission may use this report as a basis for the discussion of SB 669 implementation issues during four upcoming Public

Participation Hearings scheduled during the month of September. See the CPUC Website (www.cpuc.ca.gov) for additional details on times and locations for those hearings. For more information contact Mark Vandervelden at (415)703-2329 or by e-mail: mav@cpuc.ca.gov.
